Men’s Tactix Softshell Parka

SKU: 118501

Description

The Men’s Tactix Softshell Parka is crafted from 85% Nylon and 15% Spandex, delivering lightweight comfort, four-way stretch, sweat-wicking performance, and excellent shape retention. Its DWR finish helps repel water and provides protection from the elements. The 4-way mechanical stretch fabric offers water and wind resistance, ensuring durability and light weather protection during demanding activities. Available in sizes X-Small through 5XL.

Specifications

Color	Black, OD Green, Wolf Grey, Midnight Navy
Size	X-Small - 5XL
Material	85% Nylon / 15% Spandex
Compliance	PFAS and TAA compliant
Protection	Water and wind resistant.
