HK Usp

HECKLER & KOCH

Description

The HK USP (Universal Self-loading Pistol) is a polymer-framed semi-automatic pistol made by Heckler & Koch, introduced in the early 1990s and chambered primarily in 9 mm, .40 S&W, and .45 ACP.

Specifications

Calibre	9 mm x 19
Operation	Recoil-operated
Mag Capacity	15 Rd
Barrel Length	108 mm
Overall Length	195 mm
Twist Rate	N/A
Height	135 mm
Weight	720 g
Width	32 mm
Trigger Pull	
Sight Radius	158 mm
